BORN IN FRANCE, LIVES IN THE SOUTHERN HIGHLANDS NSW

## Mission:

For me art is the pursuit of a challenge and the appreciation of achievement, all whilst making sure I enjoy every minute. My early learning experience has been through classes provided by artists, Tafe through the certificate and Diploma courses and finally University. I have learnt that executing the basics and using those skills to deliver an artistic concept are paramount. Having studied with a very diverse range of teachers, I now wish to pass on my knowledge and experience to keen participants.
